

PRAAYER WEEK

These activities are just ideas - feel free to use, edit, or make your own! Think together about how you can make a special space and time to pray. You might like to light a candle, or play some music to help you concentrate.

THANKYOU

It's always important to remember the things we are grateful for and thank God for them. You could do this in your head, list things outloud, make models out of lego or playdough, or draw pictures.

YOU COULD USE:

- PAPER
- PENS
- LEGO
- PLAYDOUGH

MAP OF LOVE

YOU COULD USE:

- PAPER
- PENS
- GLUE
- PRINTED MAPS
- STICKERS

Print off a map of the area, or draw a 'map' which shows the people you know and love in different places. Pray for God's love to cover them as you point to each one and stick stickers or heart shaped pieces of paper on top of them as you go.

KEY WORKERS

Think about all the different people who are key workers during this time. Write their names or jobs on different pieces of paper and place them around the room/house. Walk around and visit each one and pray there that God would bless them and use them.
